

REMARKS

The Applicant respectfully requests entry of the above amendment and reconsideration in view of the amendment and the following remarks.

Applicant gratefully acknowledges the allowance of all the claims with objections.

Obvious grammatical errors have been corrected, but none of the amendments were required for patentability and none of the amendments narrow the claims.

In response to the objection that the title of the invention is not descriptive, the title has been amended above.

In response to the objection to the specification, that the specification should include a statement that "This application is a continuation of PCT/IB03/01542 filed on 4/17/2003" the specification has been amended above.

In response to the objection that multi-dependent claims depend on multi-dependent claims, the claims have been amended above so that multi-dependent claims do not depend on other multi-dependent claims.

New claim 49 is based on claim 25,

New claims 50 and 51 are based on claim 27,

New claim 52 and 53 is based on claim 29.

New claim 54 is based on 34,

New claims 55-57 is based on claim 29.

New claim 58-69 is based on claims 35-46.

New claim 70-81 is based on claims 35-46.

New claims 82-83 are based on claim 47.

Applicant has attempted to satisfy all of the examiners objections, applicant believes that the case as amended is in condition for allowance, and a notice of allowance is respectfully solicited.

The Commissioner is hereby authorized to credit any overpayment or charge any fee (except the issue fee) including fees for any required extension of time, to Account No. 14-1270.

Respectfully submitted,
